The Martin College Annual Staff proudly presents the 1961 MARTINAIRE.

We cordially invite you, the students, to join us in turning back the hands of time . . . enjoying the past while looking toward the future.

For us this is the beginning not the end. A beginning filled with memories of the past and hope for the unknown that lies ahead.

The realization of the fact that life at Martin is a combination of intangible factors that cannot be related in black and white is very evident, but, perhaps, in some small way, we can preserve the friendships which we all hold so dear.

If this book will serve to bridge the past and bring to mind the priceless memories of joy and pleasure of the year just gone, it will have served its purpose.

March 6, 1961

TO THE STUDENTS OF MARTIN COLLEGE:

The Tennessee Conference is grateful for and proud of Martin College, and it is particularly appreciative of the young men and young women who constitute its student body. In the name of the Conference, I want to express to all of you the sincere good wishes and greetings of us all.

The support of the Conference for Martin and its program is a continuing testimony to the desire of the Methodist people of Middle Tennessee for young people to have educational opportunities within a setting that is definitely and without apology committedly Christian. We trust that this is what all of you have found at Martin, and are confident that such is the case.

Sincerely,

A handwritten signature in dark ink that reads "Roy H. Short". The signature is written in a cursive style with a large, stylized "R" and "S".
